The Bank's Management Board is responsible for the preparation of condensed interim stand-alone financial statements which comply with the International Accounting Standard 34: Interim Financial Reporting as adopted by the European Union and interpreted by the position of the Polish Financial Supervision Commission dated 12 February 2015 and the opinion of the Ministry of Finance presented in the letter dated 11 February 2015 regarding recognition of costs of Banking Guarantee Fund. Our responsibility was to issue a report on these condensed interim stand-alone financial statements based on our review.

We conducted our review in accordance with the requirements of the national standards of auditing issued by the National Chamber of Registered Auditors. These standards require us to plan and perform the review to obtain moderate assurance that the condensed interim stand-alone financial statements are free of material misstatements. We conducted the review mainly by analysing the data in the financial statements, inspecting the accounting records, and making use of information obtained from the Bank's Management Board and persons responsible for financial and accounting matters in the Bank.

The scope and methodology of the review of condensed interim stand-alone financial statements is significantly different from the scope of an audit aimed at expressing an opinion on compliance of the financial statements with the applicable accounting policies and their fairness and clarity, therefore we cannot express an opinion on the attached financial statements.
